

Game-Changing Practices of Extraordinary Teams

Discover how your team can achieve more, with less struggle.

Gain the tools you need to:

- ✓ Achieve more with less, more easily.
- ✓ Reduce resistance to change and build flexibility.
- ✓ Increase productivity, reduce conflict and improve communication.
- ✓ Build morale and engagement.
- ✓ Prevent team issues that detract from results.
- ✓ Strengthen team and individual commitment to excellence.

As a leader, you and your teams are expected to do **more and more with less and less**, every day. So the question is, how can you build the **energy and momentum** needed within your teams so that you can not only continue to do more with less, but can actually **THRIVE** during times of change and increased demands?

Teams that consistently deliver **extraordinary results and create a positive experience for staff and customers alike**, demonstrate what we call **Game-Changers** - the behaviours and practices that make the most **visible and measurable** difference to a team's performance and organizational results.

This powerful half-day workshop will leave you with practical tools and strategies gained in our over 25 years of work and research with teams and leaders in Canada and around the world.

You'll gain simple yet powerful tools to:

- ✓ Apply the Game-Changing Practices to your team.
- ✓ Reduce resistance to change.
- ✓ Increase productivity.
- ✓ Reduce conflict and improve communication.
- ✓ Build the team's accountability for their own effectiveness
- ✓ Build morale and engagement.
- ✓ Strengthen collaboration and teamwork.
- ✓ Build the team's accountability for their own effectiveness.
- ✓ Prevent team issues that can detract from results.
